Price of Application

Fees are charged and must be paid prior to the commencement of the clearance application process. Keane's annual fee covers our costs to administer the security clearance. That is, our Security Officers engage with, manage and deliver:

- mandated annual security training
- establishment of, and assistance with, the clearance application process

The annual fee (and other associated fees, terms and conditions) will be provided in writing. Please contact our security team on DISP@keane.com.au to discuss further.
